

Wisconsin Shower Door 2017 Holiday Give Back

Each year Wisconsin Shower Door selects a charity as the recipient of our annual Give Back campaign during the holiday season.

This year's choices were selected to honor the life and lasting impact of Noah Hudziak, the son of a Wisconsin Shower Door employee. Noah was born with gastroschisis,

a birth defect that causes the intestines to protrude from a hole in the abdomen, and was among the 11 percent with severe complications.

Please consider joining with Wisconsin Shower Door this holiday season as we give back to children in need in our community.
